

# 2021 Summer Event SPONSOR OPTIONS

## General Sponsorship Opportunities

Organizations who choose a level A, B, or C general sponsorship are supporting our entire event season, and will be acknowledged in our printed Field Day Guide and the Field Day webpage. Sponsors may choose a General sponsor level as well as individual Live From the Farm events.

### *Level A - \$1,000*

- Features your logo prominently displayed on the inside cover of 4,000 copies of our Field Day guide
- Features your logo prominently displayed on our field day webpage linked to your website
- Listed in the event series news release

### *Level B - \$600*

- Features your logo displayed in 4,000 copies of our Field Day guide
- Features your logo displayed on our field day webpage linked to your website

### *Level C - \$200*

- Features the name of your organization displayed in 4,000 copies of our Field Day guide
- Features the name of your organization displayed on our field day webpage linked to your website

## Live From the Farm Sponsorship Opportunities

These sponsor opportunities are available to support a specific event and allow you to target an audience for a particular topic. Sponsors may choose a General sponsor level as well as individual Live From the Farm events. These are limited to only 3 organizations per event on a first come, first serve basis.

### *Live From the Farm - \$500 per event*

- Your logo on the event page in our printed Field Day Guide
- Your logo on the event webpage linked to your website
- Your organization listed and linked in the Youtube Live description
- Your organization listed in the event reminder email
