preregister will
have their fee
waived and a
FREE lunch!!

Tuesday, March 11

Minnesota West Campus, Worthington MN

10 A.M. - 2:30 P.M., Registration begins at 9:30

Curious about cover crops?

Wondering how these crops can fit into your rotation?

Are you interested in hearing area farmers talk about their experiences with cover crops?

Are you wondering what the buzz is all about?

Are you willing to spend a ½ day to learn more?

Attend the Cover Crop Workshop and Information Exchange on March 11

Learn about the best cover crops for your rotation

Learn about the different methods to plant cover crops

See the benefits of a healthy soil

See what others are doing and how they make cover crops work for them

COST: \$10 per person

LOCATION: MN West Campus (next to YMCA)
Administration Building (1st Floor)
1450 College Way
Worthington, MN 56187
